

Surprises Given Pre Y Day Fun Slated Tuesday

Today the Surprises in Disguise activities will include surprises in the vending machines and free brownies for certain classes all day.

AWS OFFICERS will be presenting surprises to every 25th person who remembers to say "Surprise in Disguise" instead of "hi" to them.

AWS students may write their activity numbers on a slip of paper and deposit it in the large box on the quad before noon.

The drawings for hundreds of dollars worth of prizes will be held at noon and again at 2 p.m. with Mr. and Miss BYU, Dean Banner and Sydney Smith, presiding. Winners must be present to collect.

Afternoon Fun Scheduled For Provo High

Provo High is the place now scheduled for all Y Day afternoon activities according to Karen Johnson, chairman for Y Day. The lunch will be served in the fields opposite Provo High School starting at noon.

FOLLOWING THE LUNCH, students will file to their ward sections in the bleachers and to decorate. Then all will join in a Hootenay.

Afternoon activities will be kicked off with the starting of the Grand Prix Bicycle Race. Fifty pound pigs will be the highlights of the pressed pig catching contest.

THE FIRE DEPARTMENT will be present with a high pressure water hose to cross the line for the tug of war.

Wheelbarrow race, Charlie Race, Tire-rolling contest, and Pie Eating contest will follow.

Following there will be the 100 yard dash, the calf scramble, crunch race, and the Egg Fight.

Following the activities, the three state presidents will award trophies to wards in their stakes and have shown the greatest ward participation during the day.

Painting, Fixing To Busy Faculty

The Music Dept., English Dept., and the College of Education faculties will be painting and repairing the homes of widows of our faculty members as their part in Y Day.

The Botany Dept. faculty members will be "beautifying" the botany pond, and the faculty of the Zoology Dept. will be renovating their boat on Utah Lake.

The College of Engineering and Physical Sciences will be busy painting and repairing their work labs.

Cleaning out and taking inventory of the art collection will be the College of Fine Arts and Communications.

The Drama and Speech Dept. is going to clean out the scenery shop in preparation for moving into the Harris Fine Arts Center.

Review of language tapes and their library will be the contribution of the Language Dept. to Y Day activities.

Old Clothes Fine For Y Day Wear

Appropriate clothes for Y Day projects are old clothes, levis, slacks and sweatshirts. Fur coats, school clothes will be in vogue, and it has been requested that no grubbies be worn.

No catwalk will be accepted on the "Y."

Rusk Declares Warning To Greek, Turkish Chiefs

THE HAGUE (UPI) — U.S. Secretary of State Dean Rusk warned Greece and Turkey today that any war between them over the Cyprus issue would destroy the Western alliance.

RUSK, APPARENTLY seeking to act as a mediator in the Cyprus crisis, met separately here for one hour each with Greek Foreign Minister Stavros Kostopoulis and Turkish Foreign Minister Feridun Cemal Erkin.

The U.S. secretary of state is here to preside over a three-day meeting of the NATO foreign ministers beginning Tuesday. Both Greece and Turkey are members of the NATO alliance.

AMERICAN SOURCES SAID Rusk told the Greek and Turkish

foreign ministers that a conflict between their nations over Cyprus would wreck NATO at its critical southern end.

"Rusk, however, was reported not to have put forward any new proposals for a Cyprus settlement, U.S. sources said his main aim was to stress Washington's deep concern over the consequences of any Greek-Turkish conflict."

RUSK ALSO HELD a separate meeting this morning with the Portuguese foreign minister, Antonio Nogueira. Diplomatic sources assumed they discussed the future of U.S. bases in the Portuguese-owned Azores Islands.

Rusk also arranged a meeting with the third party in the Cyprus dispute, Britain.

Robert Hinkley, Lowell Thomas To Receive Doctorate Of Law

Two honorary doctor of laws degrees will be given to Robert H. Hinkley, businessman and former government official, and Lowell Thomas, veteran broadcaster and adventurer, at BYU's commencement May 23.

Dr. Earl C. Crockett, acting president, said that Mr. Thomas will give the commencement address, Elder Richard L. Evans, of the Council of the Twelve, Church of Jesus Christ of Latter-day Saints, will read the citation for the broadcaster.

AT BACCALAUREATE services the night before, Elder Marion J. Banks of the First Council of Seventy will deliver the address.

Mr. Hinkley has helped to establish the Edwin Smith Hinkley Scholarship Fund at BYU which has now reached \$175,000. The fund was established from donations of the Hinkley family and the Edward Noble Foundation.

HE HAS HELD positions as assistant administrator of Federal Economic Recovery Administration and Works Progress Administration, 1934-38; chairman of Civil Aeronautics Authority, 1938-40, during which he established civil pilot training at 600 universities and colleges, assistant secretary of commerce for air, 1940-42; director of contract settlement after World War II; and member of the War Production Board.

Mr. Thomas, now in his 39th year on the air, is a ski enthusiast and has visited the Utah ski resorts many times. He is a member of the board of three of the larger ski developments in America—two in Vermont and one in California.

IT IS estimated that Mr. Thomas' voice has been heard by more people than any other voice in history including that of

Franklin D. Roosevelt, Winston Churchill, Hitler or Mussolini.

His world-wide daily radio and newswired audience far exceeding any other with a total radio audience during his years on the air estimated at 60 millions.

HE IS ALSO NOTED as an adventurer, author and correspondent on several war fronts. He has written 46 books on exploration and adventure—biography including Lawrence of Arabia and Count Luckner, "The Sea Devil."

More than 16 colleges and universities have honored him with a doctor's degree, the latest from the University of Alaska. He is trustee of various educational institutions and was reelected honorary president of the Explorer's Club in 1962-63 and 1963.

Y Senate Devotes Most Of Session To Blazer Debate

ASBYU Senators for 1964-65 were further oriented in their duties in the Senate meeting held Monday night.

PART OF THE TIME was held discussing and reviewing the Senate codifications book.

The Senate attendance is growing at one point during the meeting 22 of the 33 elected senators were present.

Most of the debate was centered on whether or not the ASBYU Senators should or should not set themselves apart by wearing either blazers or sweaters with emblems.

THE CONSENSUS was for the blazers and when the motion was called to a vote only four of those voting were against it. The matter was referred to a special committee of the Senate which will delve into the problems of cost, of emblems and blazers. Debate lasted for 35 minutes.

The Senate discussed a bill which proposed the ASBYU elections date for next year but the bill was tabled for future proper committee work.

The Sophomore Vaudeville Show Wednesday at 7 p.m. in the Smith Fieldhouse, will feature a live band, soft-shoe acts, singing and comedy skits. This free show, with door prizes included, will feature Tom Zimmerman, left, Sharon Ossmen, Vern Cleverley, Charlene Zimmerman, Margie Memmott and Larry Jardine and more.

Eighty-Three Soldiers Die in Manila Air Crash

MANILA, (UPI) — A U.S. military transport plane carrying 83 American service personnel and 10 soldiers during a rainstorm, crashed during a rainstorm, a half mile short of the runway at Clark Air Force Base, Philippines, killing 83 personnel.

Balloon Record Shattered

ANNAPOLIS, Md., (UPI) — Barney Barnes, who rose 37,700 feet in a home-made balloon to shatter seven world records, was back on the ground Monday and apparently planned to leave there.

Barnes, a 25-year-old former newspaperman from Wayzata, Minn., bettered the record for his class, Class 3A that was set by Russia's Boris Yermakov in 1940. Yermakov rose 28,800 feet.

Barnes also broke six larger balloons.

Barnes' ascent began early after dawn Sunday as he rose from his home in Peoria, Ill., where he lives in Peoria, Ill., and a gentle breeze from the south carried him here, into Wisconsin, he says.

He hardly ever seen better weather. It was absolutely perfect. The loudest sound was the clock in the garage ticking away. There was a bit of turbulence but nothing violent.

Barnes said his balloon reached its record altitude 35 minutes after takeoff.

Study At Paris University Started During Summer

PARIS, (UPI) — Classes will be conducting classes at the Sorbonne in Paris this summer.

The Sorbonne, the liberal arts college of the University of Paris, is the host school for a 1971 study residence program for students of French culture.

Students will take in more than from Sorbonne professors during the morning hours of schooling period and have conversation classes at Alliance Francaise.

The program will run from June 10, after a visit to the World's Fair, participants in the program will study in Paris during a European tour and return Aug. 20.

Wreck Gathers in San Francisco

SAN FRANCISCO (UPI) — A recorded screams of a dyman, a powerful revolver and empty cartridges, the strange conduct of a young Olympic athlete from the primes were the prime clues in the mystery crash of an airliner which killed all 44 on board.

TELEVISION RECORDS recorded the Oakland Airport Tuesday morning as ground personnel were relaying landing instructions to the Pacific Air Force F-27 transport jet as it neared the end of a flight from Reno to San Francisco.

A brief exchange of radio messages between the pilot or co-pilot of the ill-fated plane was heard to cry "I'm in shot. Oh my God, help!"

Federal Judge Orders Halt To Wildcaters

WASHINGTON, (UPI) — A federal judge Monday ordered a halt to wildcat strikes by railroad fireman and warned he would hold union leaders in contempt of court if they led or encouraged such walkouts.

U.S. DISTRICT Judge Alexander Holtz, acting at the request of the nation's railroads to quell a series of work stoppages across the country, issued a permanent injunction to prevent strikes by members of the Brotherhood of Locomotive Firemen & Enginemen.

Holtz said union members who fell to report to work without a lawful excuse may be fined or considered to have resigned their jobs.

THE FEDERAL judge declared that the courts could not tolerate defiance of an arbitration award dealing with cutbacks in firemen's jobs. He said the award, handed down under an act of congress, was now the law of the land.

Leaders of the BLFE have declared the walkouts against more than a half dozen railroads were unauthorized by interpretations of the arbitration award.

A SPOKESMAN for H. E. Gilbert, president of the firemen, said after today's ruling: "We hope all the firemen stay on the job until we get this thing settled. We hoped the carriers will refrain from extreme application of the award, too."

J. E. Wolfe, chief spokesman for the railroads, said he hoped Holtz's ruling would end the walkouts.

Randall Final Lists Winners In School Meet

Two juniors in Political Science won first place in the intra-school Kay Randall Debate Tournament Monday. Steve Davis from Modesto, California, and Dan Black from Texas won the tournament.

SECOND PLACE went to Jim DeMoux, a sophomore speech major from Provo, and Bob King, a sophomore in political science major from Rock Spring, Wyoming.

Judging the annual contest were Dr. Stewart Graw of the Political Science Dept., Dr. L. A. Bateman of the Speech Dept., and Dr. Alonzo Morley of the Speech and Hearing Dept., a former debate coach at BYU.

A PUBLIC DEBATE on the quad in front of the Smith Family Living Center today will consider the topic, Resolved: That it is morally wrong for Mormons to serve alcoholic drinks in their homes to non-members.

Participants in the heckling debate will be Steve Galbraith and Steve Davis debating Beverly Berry and Bob King.

Saigon Police Discover McNamara Death Plot

SAIGON (UPI) — Police arrested three more persons Monday in connection with a Communist bomb plot against Defense Secretary Robert S. McNamara.

MENAPAKA, who arrived Tuesday, will make another inspection check on the progress of the U.S.-supported war against Communist guerrillas.

Gen. Maxwell D. Taylor, chairman of the Joint Chiefs of staff, arrived here Monday.

VIETNAMESE POLICE said the three persons taken into custody Monday admitted their part in a plan to blow up a bridge between Saigon airport and the city at the time when McNamara's motorcade was scheduled to arrive.

Two terrorists were arrested Saturday night while laying wires to 50 pounds of explosives under the bridge.

Chicago Family Still Hopes For Child Return

CHICAGO (UPI) — Mrs. Doris Fronczak attended Mother's Day services Sunday at St. Anne Roman Catholic Church and then returned to a home left childless by a kidnaper.

"WE THOUGHT" she said afterward, "with Mother's Day coming on, if she would leave the child while we were at church and call us, we could come right away and she could disappear."

The search for the kidnaper entered its 15th day today, still with no word on the baby, taken from his mother's arms at Chicago's Michael Reese Hospital by a woman posing as a nurse.

AT CHURCH, The 28-year-old mother and her husband, Chester, listened silently to the Rev. Daniel Porell ask the congregation for prayers for the return of the baby.

Authorities identified the two men arrested Saturday as Nguyen Huu Loc, 21, and Nguyen Van Thoi, 24. Police said both claimed they were hired for the job and promised \$400 if the plot was successful.

POLICE SAID THOI hurled himself out of a second story room Monday into the police headquarters building, landed on top of a truck and broke a leg. Thoi made the leap while being interrogated and police said he probably would have been fatally injured had the fall not been broken by the passing truck.

Thoi also suffered a head injury but his condition was not serious.

TELEVISION RECORDS recorded the Oakland Airport Tuesday morning as ground personnel were relaying landing instructions to the Pacific Air Force F-27 transport jet as it neared the end of a flight from Reno to San Francisco.

A brief exchange of radio messages between the pilot or co-pilot of the ill-fated plane was heard to cry "I'm in shot. Oh my God, help!"

JUST SECONDS LATER, the plane plunged into a hill 30 miles east of San Francisco and exploded, scattering bits of the plane and its victims over a quarter-mile.

The 375 magnum revolver, believed to have been used in the shooting of both the pilot and the co-pilot was found.

AN OPEN LETTER

TO THE YOUNG MEN AND WOMEN OF SOUTHAMPTON'S DEBUTANTE PARTY

WE READ A STATEMENT in the Press made by one of the young defendants after the court case involving alleged damages at a debutante party in Southampton, Long Island: "Every-one knows there is too much drinking in this country, but what can you do about it? Every-body knows the morals of this country are going down the drain."

WE THE UNDERSIGNED believe we have the answer to the young man's question.

We believe it is time our generation stopped self-righteously deploring this state of the nation or irresponsibly contributing to it. The time has come to change it.

WE REPRESENT hundreds of young Americans across the nation who have committed their lives to create a new society in America and the world with the global program of Moral Re-Armament.

WE ARE IN REVOLT against a society which creates the climate of immaturity and lawlessness that leads to such a debacle and to such a cynical statement. We have got to stop it.

WE ARE IN REVOLT against the gutlessness of "good" Americans who lack the courage to expunge the corruption existing in all levels of our society, who sit silently while one woman forces God out of our schools, who permit men committed to atheism and anti-God to proceed unchecked, who proclaim one set of standards and live another.

WE ARE IN REVOLT against the line of the "new morality" which is forced down our throats by books, magazines, television, films, professors and some churchmen. Sex, violence, lust and godlessness are taking over the nation. When venereal disease among young Americans rises 130% between the years 1956 and 1961, when 13,000,000 children come from broken homes—who is responsible? We are.

WHERE ARE THE YOUNG AMERICANS who will pay the price in their own lives to stand up for what is right in the country? Where are the fighting Americans who will cure the hatred, bitterness, impurity and selfishness

which divide families, destroy races, deaden youth, split nations?

THE FREE WORLD looks to us for leadership. The captive world looks to us to make freedom a reality again. We know that if America fails the world fails.

WE ARE OUT TO BUILD A NATION where families teach mankind how to live together, where industry—management and labor—teach the whole world how to work together, where all races, colors and classes learn together with all nations how to lead the whole world forward. We are out to create a force of young Americans more dedicated to building a world that works than any Communist or materialist. We will create an America to whom the whole world will turn and say, "That is the way men are meant to live."

WE BELIEVE IN MODERN AMERICA. We believe she will rise to the challenge of the times. We believe she will demonstrate the great reality that free men will accept of their own accord the discipline to be governed by God, so that millions on the earth will never be ruled by tyrants.

THE CHALLENGE facing the American youth is not to go backward to the decadence that destroyed the Roman Empire, but to go forward to the revolution of Moral Re-Armament.

WE CAN REBUILD THE MODERN WORLD. Let us go forward to absolute moral standards for all men everywhere: absolute honesty, purity, unselfishness and love, not as an end in themselves, but as a means for giving us the energy, the maturity, the responsibility, the clarity that will take humanity forward to the next stage in human evolution.

THREE THOUSAND OF US are meeting this summer in a Conference for Tomorrow's America at the Moral Re-Armament Center, Mackinac Island, Michigan, to shoulder that task together. We invite every young American who has the courage and spirit to care for his nation and the future of mankind to join us.

Dress for the dance is semi-formal.

Film Favorites To Feature One More Film

Featured this week at Film Favorites is Ernest Hemingway's "Adventures of a Young Man." In cinematography and color, the film stars Richard Beymer, Diane Baker and Paul Newman.

Adapted from Hemingway's semi-autobiographical stories of Nick Adams, the show is a series of adventures that turn a boy into a man. Nick runs away from home to escape small town life and joins an ambulance unit in the Italian Army during World War I. Severely wounded, he falls in love with a nurse who revives his will to live.

Giving good performances are Paul Newman as a prize fighter, Dan Dailly as a drunken advance man for a burlesque troop, Eli Wallach as a wartime buddy and Jessica Tandy as a domineering wife and mother.

The film will be shown Wednesday through Saturday in 167 McKay. This is the last show of the season.

PTA Committee Will Sponsor Movie Program

The PTA Movie Reviewing Committee will sponsor a summer movie program for children along with the Academy Theatre. Tickets for children will be \$1.50 for 12 shows. No adult tickets will be sold and adults will not be allowed unless accompanied by children.

Tickets may be purchased through the Provo Co. schools or by mail order to the PTA Movie Committee, Box 2, Provo. Children who are pre-school through Junior High School age may buy tickets.

Some of the movies that will be shown include, "Dog of Flanders," "Friendly Persuasion," and "Hand in Hand" according to Mrs. Stewart Brimhall, chairman of the committee.

Homeless Cougar Spikers Seek 'Home Advantage'

BYU's track team, which hasn't a field or a strip of cinders to call its own, will spend the next two weeks trying to develop a "home advantage" in Ute stadium in Salt Lake City.

THE COUGARS have three meets scheduled before the end of the school year, and all of them are scheduled for Ute stadium.

"That's fine with us," declared track coach Clarence Robison, "because we want to feel as much at home as possible for the run-

ning of the WAC meet later this month (May 22-23)."

THE COUGARS get their first feel of the Ute cinder paths this week in a dual meet with the Redskins. The meet was originally set for last week, but was washed out along with a lot of other spring sports.

This weekend the Cougars return to Salt Lake City where they will join several other schools for the Beehive Invitational Meet in Ute stadium.

A WEEK LATER the Cougar and Ute will combine with four other WAC schools for the Western Athletic Conference meet in Salt Lake City.

By then, the Cougars should feel pretty much at home in the Ute surroundings.

Last week's action in the West Coast Relays indicated the Cats are coming closer to their peak form. Bob Tobler, who has the fastest time in the nation in the 100-yard dash in a .062-quarter-mile at Fresno to win first place. This was four-tenths of a second faster than his previous best of the year.

AN EQUALLY IMPRESSIVE showing was made by distance runner Dick Krenzer. The slender Californian ran the fastest mile of his career with a 4:04.1 time, which was good for a second place finish.

A new school record, this clocking was three seconds faster than Krenzer's previous best, and may well have been the fastest ever recorded for a runner from a school in the Rocky Mountain-Southwest.

SIX FOOTER MIKE BLANCO did not top his best put of the season, but he did uncork a discus throw of 169 1/2 feet. Mike Coley ran a 1:12.8 leg in the middle relay, and the Cougars' mile-relay team lowered its time to 3:12.2 in that event.

However, there was one injury of note that could prove costly for the Cougars. Pole vaulter Jim Prychalski injured his heel while trying to clear the 15' mark, and may be out of action for the next two weeks.

Block jumper Emmett Smith, who holds the school record at 2' 10", is nursing a pulled muscle resulting from a jump in the dual meet with Utah State.

Racketmen Challenge Ute Netters

Temperatures in Salt Lake City should increase measurably Wednesday when tennis rivals BYU and Utah square off for the fourth time this season.

PREVIOUS MEETINGS BY the two teams have produced some of the finest tennis seen in the Beehive State. Wednesday's meeting should not be an exception, since Utah will be battling to break even in the series.

BYU holds a 2-1 edge at this point in the season, taking a close 5-4 decision in a rubber match two weeks ago in Provo.

TEMPO WILL PICK UP, it such a thing is possible, on Friday when the Cougars host several other schools at the Beehive Invitational Tennis Tournament in Provo.

Since Utah will become of the entries, there's a good chance individuals from the two teams will face each other again.

COACH WAYNE Pearce hasn't listed his players yet, but George Conway will probably draw the number one singles spot against Utah's Jim Osborne. Conway dropped Osborn, 6:17.5, in their last meeting in Provo.

Other entries in the singles will probably be Bill Fort, Don Lowe, Harvey Botselen, Jon Pierce, and Carlos Sende.

Golfers Gain Green Experience To Beast Top BYU Link Mark

Members of BYU's golf team are, for the most part, too young to know the thrill of a smooth, clean lockerroom shave. But they have gained sufficiently on the green this season to boast one of the finest golfing records in BYU history.

FRIDAY MORNING at the Riverside Country Club the Cougars will be after their seventh victory against only one defeat. They host Utah in matches which will begin at 9 a.m.

Earlier in the season Coach Karl Tucker's fresh-dominated squad proved their mettle by dumping the Redskins 18-9 at Salt Lake City. It marked the first time in recent years the Ute golfers had been beaten by the Cougars in Salt Lake City.

FRIDAY AFTERNOON at the Riverside, Utah State will join Utah and BYU in an 18-hole round to determine the champion for BYU's 22nd Annual Intercollegiate Invitational Tournament. The trophy will be won out at the half-way point nearly two weeks ago.

The three teams will tee off at 1:30 at the Riverside.

Going into the final round, BYU holds an 11-stroke lead in the

team standings while a Utah golfer is in the best position to win medalist honors.

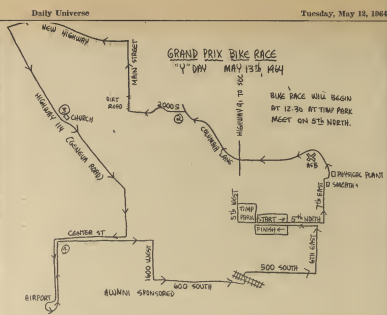

Boxer Encouraged To End Pro Career Behind Iron Curtain

MIKA UTAH - Leszko Papp of Hungary, the only professional athlete behind the Iron Curtain, is under heavy official pressure to end his boxing career for political reasons, it was disclosed Tuesday.

PAPP, The European middleweight champion, and undefeated in 27 professional fights will defend his title against Christ Christensen of Denmark at Copenhagen, June 11. But that could be the last fight for the 35-year-old Hungarian.

Hungarian sports writers here urged Papp to give up professional boxing because it is incompatible with our political system.

HUNGARIAN OFFICIALS in Budapest refused to comment, but well-informed sources there indicated the Christensen fight "will probably be his last."

Racers Get New Route

Due to a change in the site for afternoon activities on Y Day, it has been necessary to change the route of the Alumni Bike Race.

The new route has been reproduced above and additional copies are available in the Universe office. All maps are no longer to be used. All racers are urged to note the course changes and familiarize themselves with the new route.

Baseball... Cats Play Utes In WAC Finale

The Brigham Young University Cougar nine will try to keep its Western Athletic Conference title hopes alive this afternoon as Glen Tucker's charges host the University of Utah. The starting time for the single game affair is 2:30 p.m.

THE COUGARS CURRENTLY have a five win-four loss league record, with two of the five wins coming at the expense of the University of Wyoming last weekend. BYU lost the single game on Friday, 15-4, as the Pokes scored 14 runs in the eighth inning to completely eliminate any hopes of victory.

Joe Becroft shut the door on Wyoming, as he limited the hosts to only four hits, allowing the Cougars to win, 8-0. Bob Baker led the Cougar hitting parade in the second game with three hits in four times at bat, including a two-run homer.

STEVE CAHOON and Tom Wilkinson engaged in a pitcher's duel in the first game of the double header until the eighth inning when the Cougars scored three runs. BYU scored two runs in the ninth inning to tie the contest. Outfielder Jim Jones hit a home run in the first game to save the Cougars from two white washes in the same day.

University of Utah currently leads the northern division of the WAC with a 4-2 record. BYU follows with 5-4, and Wyoming is in the cellar with a 2-4 record. A BYU victory and two losses by Utah will give the Cougars the northern division title.

Geology Addition...

New Museum Created

by Linda Fales
Staff Writer

"A museum is being born on the BYU campus which will some day be one of the biggest in this part of the world," exclaimed James A. Jensen, Geology Curator.

The Geology Museum in 254 Eyring Science Center is now officially open to the public from 8 a.m. to 5 p.m. daily. BYU students have been able to view the displays in the museum for several months.

MR. JENSEN began accumulating materials and planning for the Geology Museum when he came to BYU in the fall of 1961 after working at Harvard for six years. He has searched for paleontological specimens throughout North and South America.

"I am determined to have the world's largest dinosaur here at BYU someday," said Mr. Jensen. He discovered in March in Western Colorado what appears to be the world's biggest dinosaur, the Brachiosaurus.

ACCORDING to Mr. Jensen, the Brachiosaurus has a relatively small skull and a very large body. It is 45 feet tall, 80 feet long, and a rib cage ten feet in diameter. He has collected the first five neck vertebrae and is hoping that the material continues on into the back complete to the tip of its tail.

Mr. Jensen can't tell until he excavates how much of the skeleton is present. He will wait until the snow melts from the high plateau in Colorado before going back to the quarry where he located the Brachiosaurus.

The only mounted Brachiosaurus skeleton in existence is in a Berlin museum and is smaller than the one discovered by Mr. Jensen. Brachiosaurus in North America is known from a few bones found 60 years ago and no scientific description has yet been made of the complete skeleton.

"TO BE ABLE to scientifically describe this dinosaur will make BYU's Geology Dept. even more important," said Mr. Jensen.

BYU's Geology Curator added, "Everyday's Christmas in the field of paleontology. I'm excited to get back to the quarries."

Events in the immediate future include: an elephant hunt in central Utah the last of May, more work on new dinosaur discoveries made last fall, a trip to collect the world's oldest lizards in central Utah, and a joint BYU-Harvard expedition to South America to explore the foothills of the Andes in western Argentina. The expedition will arrive in

Argentina in October and remain there five months.

Museum Houses Fossils, Minerals

In the Geology museum are fossils and minerals collected from all part of the world during the past 75 years.

SOME OF THE colorful stones and crystals are from the Old Desert Museum in Salt Lake City. Collections by James E. Talmage which would be very difficult to replace are included

in the display, according to James Jensen, curator of the Geology Dept.

Also on display are mounted skeletons of original bone, including a saber-toothed tiger and a dire wolf from the tar pits of Rancho Brea, Calif., and a Dine-tredon and Edaphosaurus from Texas.

ALSO INCLUDED are sail-

back reptiles, the skull of a rannosaurus rex, a giant 30-foot crocodile, Phobosuchus from Texas, and fossilized plants and invertebrates.

The most recent discovery is that of the world's largest dinosaur skull in Montana. The uncertain discovery of the Colorado Brachiosaurus would be other "world's largest."
